

**WHEATON
SANITARY
DISTRICT**

Date: April 26, 2022
To: Residents in the Childs Street, Shirley Court, Sunnybrook Lane, Clinton Court,
S. Pierce Avenue & S. Morgan Avenue Areas, Wheaton
From: Wheaton Sanitary District
Subject: Northside Interceptor (NSI) Sewer Replacement Project
Area NSI Construction & Access

CHILDS STREET AND SURROUNDING AREAS NSI CONSTRUCTION & ACCESS MEMO:

Wheaton Sanitary District (WSD) recognizes that its Northside Interceptor (NSI) Sewer Replacement Project is difficult on residents and appreciates all your patience and consideration so this very important project can be completed.

Please be advised that NSI construction is in your area and is expected to continue for the next few months.

Specifics regarding the Childs Street, Shirley Court, Sunnybrook Lane, Clinton Court, S. Pierce Avenue, S. Morgan Avenue areas:

- Residents will have access to all roads 24/7, with the exception of some intermittent construction delays. Please allow a few extra minutes for potential delays when travelling.
- The roads that have two-way access (Childs and Roosevelt, Childs and Manchester, or other) may have to go a particular direction (left or right only) for access, but will continue to have 24/7 access, with the exception of some short construction delays.
- Since Sunnybrook Lane is a “U” shape with both intersections having access on Childs Street, both access points will not be blocked at the same time. However, residents may be required to go a particular direction after ingress/egress (ie: must turn right or left).
- The “enclosed” roads (Shirley Ct, Clinton Ct; S. Pierce Av, and S. Morgan Av) will have single-point 24/7 ingress/egress, similar to Childs Ct (ingress/egress only on one side), with the exception of some short construction delays, and may have to go a particular direction.
- Emergency services have access to all roads 24/7.
- The City of Wheaton has been notified and garbage service typically will be between 6:00 – 7:00 am. Please make sure your garbage is out prior to 6:00 am on your regular day of service. It is anticipated that this change in garbage service will be effective until August 2022.
- Construction activity may be from 7:00 am - 5:00 pm (but is allowed until 7:00 pm).
- For Project updates, visit – www.wsd.dst.il.us/about-wsd/news/, or for questions call Jim Snell (815) 444-3321.
- Thank you again for your patience and consideration!
