

WHEATON SANITARY DISTRICT NSI NORTHSIDE PARK CONSTRUCTION UPDATE

Due to ongoing construction of Wheaton Sanitary District's (WSD) Northside Interceptor Sewer Replacement Project (NSI), please be advised that a portion of Darling Street currently is closed for parking on the road's shoulder, and the north lot of Northside Park will be closed starting Wednesday, 1/5/22 for approximately a week. Park District Officials have indicated that residents can park in the parking lot by the pool.

Also, Armbrust Avenue construction will resume on Monday, 1/3/22, and continue to the north side of Northside Park. Updates will be posted on WSD's website as appropriate. Please let us know if you have any questions.
