NORTHSIDE INTERCEPTOR (NSI) SEWER REPLACEMENT PROJECT

RESTORATION OF NORTHSIDE PARK AREA & ELLIS/ARMBRUST AVENUES

March 2022

NORTHSIDE PARK & ELLIS/ARMBRUST INFORMATION:

- Work has proceeded as expected and WSD is on schedule.
- Pipe installation and heavy construction is complete in the area and restoration work will occur starting in April, weather permitting.
- Restoration will consist of pavement and landscaping repair in the roadways, driveways, paths, and parkways.
- Specific areas will require tree replanting and grass seed.
- WSD anticipates that the work will be completed in May, also weather permitting.
- We thank you for your on-going patience and cooperation.
